## La Estrada (2016)

La Estrada Alta is a tiny vineyard of only 0,64 ha, at 610m a.s.l. It is located in the higher part of the village of Lanciego, on very poor soil. Planted in the 1940's and managed with traditional bush pruning, it was mostly field blended with Tempranillo and a little Graciano.

Facing northeast, La Estrada Alta is situated in the most western part of the village, on top of a slope of pure calcareous clay. This small vineyard has always fascinated us for the purity, depth and balance of its wine.

In 2016 La Estrada profited from its high altitude and "cooler" orientation. In quite a hot summer with long periods of drought, La Estrada was still able to express its always incredible texture and balance. A great example of the importance of terroir.
